

More Finish Teaching Your Robot To See and Make a Course

Day 5

Next Week

1. Your parents will come for the last 30 minutes of robotics club
2. Show your robot going through any of the challenge courses to your parents
3. Show them whichever ones you want

Today's Objectives

Decide whether you want to:

1. Continue with the challenges (Easier)
 - a. Keep doing the challenges
 - b. Next week, show the your robot going through the challenge course(s) to your parents
2. Make your own challenge course (Harder)
 - a. Sketch ideas on a piece of paper with your group
 - b. Pencil your best idea on a big piece of paper
 - c. Tape over the pencil marks
 - d. Program your robot to go through the challenge course
 - e. Next week, show your robot going through your challenge course to your parents
